

First Name	Youngmin	
Last Name	Ko	
Title	<input type="checkbox"/> Prof. <input checked="" type="checkbox"/> Dr. <input type="checkbox"/> Mr. <input type="checkbox"/> Mrs. <input type="checkbox"/> Ms.	
Nationality	Republic of Korea	
Organization	Asan medical center	
Position	Senior fellow	
E-mail	ymko@amc.seoul.kr	
Business Phone	(+82) 10-2947-5700	
Specialty		
Major in surgery (Asan medical center, 2018) Major in kidney and pancreas transplantation (Asan medical center, 2021)		
Education		
Bachelor's degree from Chonnam National University College of Medicine (2013) Master's degree from Ulsan University College of Medicine (2020)		
Experience		
Immunoprotective effect of liver allograft on patients with combined liver and kidney transplantation (ATC 2023) Importance of simultaneous IgG and IgM monitoring for ABO-incompatible kidney transplantation in recipients with blood type O (KST 2023) Impact of high level of IgG titer in ABO incompatible kidney transplant (ATW 2022)		

Post operative outcomes of aged positive-crossmatching kidney transplant

recipients who received preoperative desensitization (KST 2022)

Impact of desensitization in immunological low-risk patients in kidney

transplantation (KST 2022)

Honors / Awards

Selected Publications

Evaluating anti-thymocyte globulin induction doses for better allograft and patient survival in Asian kidney transplant recipients (Scientific reports)

A prospective, randomized, non-blinded, non-inferiority pilot study to assess the effect of low-dose anti-thymocyte globulin with low-dose tacrolimus and early steroid withdrawal on clinical outcomes in non-sensitized living-donor kidney recipients (Plos One)

Comparison of long-term outcomes in simultaneous pancreas-kidney transplant versus simultaneous deceased donor pancreas and living donor kidney transplant (Scientific reports)
